Democratic Meeting at Concord.

Concord, N. H., Thurday, July 2, 1883.

Gen. Franklin Pierce will preside and speak at the Democratic Mass Convention which meets in this city on July 4. The following speakers are announced: Daniel W. Voorhees of Indiana; Amsada J. Parker, George F. Comatock, Peter Cagger, Shu to the incorruptible virtue and the profound devotion of the people to the principles of the glorious Gospel of the blessed God.

We deeply sympathize with our brethren who have been bereaved because their loyed ones have been stricken by the hand of death while connected with the army. We pledge to our brave soldiers everywhere, our sympathies, our prayers and our utmost efforts that they may be abundantly successful in the manufactured, and when the present arrangements mutil it is destroyed.

We feel that the hope of our country in the suppression of treason in the revolted States, and in our middle in our middle is expected enough will be manufactured, and when the present arrangements are completed, it is expected enough will be manufactured, and when the present arrangements in the revolted States, and in our middle is expected to nearly supply the State.

Marine Losses.—The losses this year from ordinary disasters and the depredations of privateers are in five deeply sympathize with our brethren who have some to fight the battles of our country, with such as are sick and wounded in the hospitals, and the profound devotion of the people to the principles of the glorious Gospel of the blessed God.

We deeply sympathize with our brethren who have deeply sympathize with our brethren who have some to fight the battles of our country, with such as are sick and wounded in the hospitals, and the revolutions of privateers are instituted to nearly supply the State.

Marine at Osawatomie for the manufactured, and when the present arrangements are completed, it is expected enough when the present or intitute there can be enoughly in the intitute there can be enoughly in the intitute there can be enoughly in the

The subscription agent reports the sale of \$700,000 dive-twenties at the various agencies to-day. A large proportion of this amount came from the West, which continues her noble support to the Govern-

Agricultural Prospects-The Brouth. New-York, July 1 .- There is but one drawback to all we have heretofore said of the bright prospects of farmers, and that is the drouth. The drouth,

Regulations for Procuring Substitutes, everywhere, is the one thing that alarms farmers. For this there is cause. In this vicinity it has shortened the grass and cut crops beyond hope of recovcapt. M. is a son of W. H. Miller, esq., for many early commission. At the time of the break for two mouths, and we have had but one shower sufficient to lay the dust for a single day. With silght exceptions the drouth is universal. We hear of its effects from Mussachusetts to lowa. The Winter wheat crop was generally made before the necessity of rain was felt, and it will be a good one. Corn, and all other Spring grain, potatoes, and garden weight of the world shows no more desperate fighting than that done by his company at Milken's fine studies however and many of them in a band to hand bayonet struggle.

Capt. M. is a son of W. H. Miller, esq., for many was a student in Yale commission. At the time of the break the skip's commission. She had none. The cannot all the skip's commission. She had none. The excuse would be that they were after United States stolen property. The college, nearly through with his course. He left his studies however, and returned home, enlisted as a private in the celebrated Washburne Lead Mine Regiment, from whence he was taken and made Captain of a colored company. His statement can be relied on as literally true, and we venture to say the history of the world shows no more desperate fighting than that done by his company was in sum and the form the feeble infant of one of the cushing. The officer would be that they were after United States stolen property. The that they were after United States, and has been used for thirty years with never-officer would say—Where is your officer would say—Where is your follows. Steriff Neither writ, or Sheriff, or Government Commission. She had none. The excuse would say—Where is your follows with never-officer would say—Where is your follows. Steriff Neither writ, or Sheriff, or Government Commission. She had none. The country with never-officer would say—Where is your writ? Where is your follows. Steriff Neither writ, or Sheriff, or Government Commission. She had none. The country writ of the sterify commission. She had none. The country with BISPOSITION OF SHELETON REGIMENTS, of its effects from Mussachusetts to Iowa. The Win-Levenue Decision Concerning Bank Paper. Corn, and all other Spring grain, potatoee, and garthe Obio accounts say it came too late for hay and

> oats: they were past redemption. This is much the case in Michigan and adjoining States. In Iowa, oats, though short, promise a good

> vield. In Canada, crops are generally promising, and so they are in Northern New-York.

> In all the tobacco-growing sections of the North, accounts of the crop prospects are favorable. The corn crop is everywhere waiting for rain and

the average hight of the plants seven feet. By the lst of August the crop will be ready for market. Cotton-growing is now more profitable than sugar,

but it is difficult to change suddenly from one to the

E. K. W. CORNELL.

The Great Gallantry of the Neuro Troops count of the Fight.

DEAR AUNT: We were attacked here on June 7, about 3 o'clock in the morning, by a brigade of Texas troops, about 2,500 in number. We had about 600 men to withstand them-500 of them negroes. nen to withstand them—500 of them begroes. It commanded Company I, 5th Lauisians. We went into the fight with 33 men. I had 16 killed and 11 badly wounded, 4 slightly. I was wounded slightly to the head, near the right eye, with a bayonet, and had a bayonet run through my right hand, near the —The niece of

The list of killed and wounded officers comprises nearly all the officers present with the regiment—a majority of the rest being absent recruiting. We had about 50 men killed in the regiment and

We had about 50 men killed in the regiment and 80 wounded; so you can judge of what part of the fight my company sustained. I never felt more grieved and sick at heart than when I saw how my brave soldiers had been slaughtered—one with six wounds, all the rest with two or three, none less than two wounds. Two of my colored sergeants were killed, both brave noble men, always prompt, visiting meeting in the Park Barracks last evening. The Rev. Dr. Marsh, and W. C. Wells, esq., took part in the meeting. A very strong dealer was felt on the part of the soldiers for another visit. show you the wounds that cover the bodies of 16 as

with our buyonets, hand to hand. I have six broken buyonets to show how bravely my men fought. The 23d Iowa joined my company on the right, and I declare trainfully that they had all fied before our reg-

Important to the Traveling Community.—The Total Edition of APPLETON'S OFFICIAL ILLUSTRATED RAILWAY GUIDE will be ready THIS DAY, at 10a m. To those who are interested in the affairs of the country at this critical time, and who are not? Appleton's Official Railway Guide is indispensable. In addition to much other valuable information independent of the Time Fables of nearly three hundred railways, it contains nearly one hundred Railway Maps, representing the principal railways of the country, statistics, towns, villages and chice situated upon them, together with the ditance from place to place. Through the instrumentality of Appleton's italiway Guide all classes of the country and the themselves handlits with the position of the different railways of the country. To filmstrate; The report reaches us that Harrisburg is in danger; to ascertain the position of Harrisburg we turn to page 164 of the Guide, upon which we find the map of the Penneylvania Gentral Railways, and we find not only the position of Harrisburg, but you have the maps, when the place is the reaches and the results of the Guide, upon which we find the map of the Penneylvania Gentral Railways, and we find not only the position of Harrisburg when the falled, upon which we find the map of they but go countries, and many other places of interest to all. Opposite the map. burg, but also of York, Chambersburg, Gettyeburg, Columbia, and many other places of interest to all. Opposite the map, upon page 105, we find the Time Table of the Read, which gives the time of the ceparture and arrival of trains, together with distances from a station to station; by turning to page 58 and 69 of the Guide we find the map of the New-York Central Railway, upon which are represented all the principal cities of the United States, including Vicksburg, Jackson, Memphis, Nashville, &c. Again, by turning to page 125 and 127, we find the map of the Saratags and Lake Champlain route, representing all important points of interest, accompanied by a complete Tourist Guide.

As has been repeatedly remarked by the press throughout the United States, "The value that Appleton's Railway Guide is to all clauses of the intelligent community cannot be estimated by dollars and cents. A copy should be piaced in the hands of every man, woman and clind in the country."

Martin's Life Cordial. THE GREAT AMERICAN REMEDY FOR CHOLERA, CHOLERA MORBUS CHOLERA INFANTUM, DYS-

STOMACH, and HEARTBURN.

It relieves those disagreeable symptoms of DYSPEPSIA.

NAUSEA, and RISING of FOOD after eating, and as a
SOOTHING SYRUP for CHILDREN it has no equal. It
regulates the bowels alliays pain, and under its very Soorniso
effects the child gently drops into a quiet simmber, and awakes
refreeshed and invigorated. It is very pleasant to the taste, and
children, instead of refusing to take it, ory for the medicine
after once tasting it. Call for circuits and read certificates
from such men as Prof. N. P. Hill of Brown University; the
flew. Horace James of Worcester, Mass., now Chaplein of
the 25th blassachusents and Superintendent of Blacks, Newteen, N. C. officers in the Army, and others.

N. B.—This article is warranted, even in the most obstinatecases, and Agents are particularly requested to my back the
money where satisfactory evidence is given that the medicine
hasproved ineffectual.
